Philosophy

Colegio Aguadeño San Francisco de Asís, Inc. visualizes preschool and elementary education as a continuing process to help individuals become better human beings. It should start in the home and continue systematically with the help of the school. Its basic objectives are geared towards developing individuals physically, socially, intellectually and emotionally.

Mission

Our mission is to offer an integral education to all students to prepare them as good, responsible human beings who strive for excellence. In this way, they will be able to become productive members of society.

Accreditation and License

Colegio Aguadeño San Francisco de Asís, Inc. is located in the heart of Aguada and has been part of the community since 1994. Since its beginning, our school's educational methods have enabled our students to excel in English, Spanish, Mathematics, and Spelling. Our students have represented our school at local and regional competition winning many awards. Colegio Aguadeño San Francisco de Asís, Inc. is accredited by CADIE. In addition we also offer many extracurricular activities that encourage social interaction among students and their community.
